ESCROW ANALYSIS STATEMENT

At least once every 12 months Fay Servicing, LLC analyzes your escrow account, in accordance with federal regulations, to ensure we collect sufficient funds to pay escrow items when they are due. The escrow account analysis below is an estimate of the activity that will occur in your escrow account over the next 12 months. The analysis will show if you currently have a shortage or overage in your account. This amount will be accounted for in your new monthly escrow payment unless there is an overage amount over \$50. In this case, the full amount of the overage will be refunded to you.
